Dear Lost and Found Today Team,

I am writing to express my heartfelt gratitude for the exceptional service and support provided by your team at Lost and Found Today, LLC. When I was first contacted regarding unclaimed funds that were owed to me, I must admit, I was quite skeptical. The idea that there was money out there that I was unaware of seemed too good to be true.

However, from the moment I engaged with your team on September 8, 2023, my concerns were put to rest. The professionalism, patience, and thoroughness displayed by your staff were nothing short of remarkable. You walked me through the claim process with such ease and clarity that any doubts I had quickly dissipated.

The efficiency with which you handled my case was impressive. I was pleasantly surprised when, in less than two months, I received a replacement check in my hands before Halloween. It was a wonderful and unexpected gift, thanks to your diligent efforts.

I am incredibly appreciative of your service and the work you do. Not only did you help me recover funds I was completely unaware of, but you also managed to do so in a manner that was both reassuring and straightforward. Your team's dedication to helping individuals like myself is commendable.

Please accept my sincerest thanks for your exceptional service. I will not hesitate to recommend Lost and Found Today, LLC to friends and family, as I am confident in your ability to deliver outstanding results with the utmost integrity.

Warm regards,

Letter of Recommendation for Charles Stanley, Vice President of Lostandfound.com

To whom it may regard,

I received a call and then text from Mr. Stanley, who mentioned that he was the Vice President of a Company that finds and recovers funds he locates that belong to people.

He located 2000.00 that was due our family. I already was knowledgeable how to locate missing funds, but did not have any idea that this amount was somewhere and unknown on standard location platforms that I have searched.

I responded to him and he was kind, honest and he was correct. The money was due us and now we are excited that this money is on it's way to us from a legitimate source.

I am writing this letter of recommendation for those that may have the same initial concerns that I did. I was wondering if this was a trusted source.

I asked a number of questions and was satisfied with the responses.

I do not typically write letters of recommendation for businesses.

Because of my satisfaction as well as personal experience and the nature of this wonderful encounter, I was happy to sign my name to my personal experience.

I believe that Mr. Stanley was honest and fair about his duties in this experience.

Thank you,

To Whom It May Concern,

I was contacted by **Lost and Found Today, LLC (LAFT)** about an overpayment at the bankruptcy court related to my **grandfather's** case. To say I was shocked would be an understatement—LAFT told me there was **over \$57,000** available to claim from his **1995 bankruptcy**.

From the very beginning, **the staff at LAFT was professional, helpful, and made me feel completely at ease**. They handled everything for me, including sending a **mobile notary to my home** and even getting copies of my **grandfather's death certificate** and my **birth certificate**.

Since this was a large claim, the bankruptcy court required a **phone hearing** to confirm my and my **grandmother's identity** before releasing the funds. **LAFT attended the hearing with me**, making sure everything went smoothly. The court approved the claim, and the funds were released.

While the process took a little longer than I expected, once LAFT received the funds, they sent my share by **wire transfer** so I wouldn't have to worry about a check being placed on hold by my bank.

If you have any doubts about **LAFT being legitimate**, let me assure you—they are **the real deal** and will **get your money for you**. I am beyond grateful to the **amazing staff at LAFT** for this life-changing experience. This is truly a **once-in-a-lifetime** event that I will never forget.

Sincerely,

A.R.
